121/07	<b>Section 106 Funds</b>  Fact finding meeting on Monday 12 <sup>th</sup> November 2007 a large number of people attended, they have strong and different views on the Secret Garden although when looked at in the Park area they were very similar.  It was felt that we should write a letter to KDC saying that we have now proceeded with the project and have a settled design and ideas and is now ready for the funding so we can start the work. The Clerk was asked to refer to the previous minutes where a draft letter was produced and possible use this.  S Jonik “Chairman” stated that he was speaking to WW on the “Sustain The Plain” project where extra funding could be available to clean up the lake adjacent to the Church. He has spoken to Pam and Adrian Hampton who own the lake, and they were happy to see this work done. The funding could be between £500 and £2000.
