We have just received the most welcomed confirmation that West Wiltshire District Council have awarded the minibus project a grant of £7,000 through the Parish Partnership Grant Fund; without the support of village Parish Councils this money would not have been forthcoming. We have also received a generous donation from Joyce Spencer of Fitzroy Designs and this brings the total money raised thus far to **£15,000**; we are half way to our goal so watch this space for more progress!
